

[Verse 1]

Alone with Youuuuuu (I'm relaxing tonight)
 Alone with Youuuuuu (the two of us, you and Iiiiiiii)
 Ice and a shot glasssss (Some bourbon with some class)
 And the room starts to echooo

[Instrumental]

[Chorus]

And then to love, to love to loooooove
Suddenly remembering how to love.....
...that son of a (don't say it, don't say it)
...woman that I used to love
That son of aaaaaaaaaaaaaa...
biiiiiiiiiiiiitch (you said that, you said that!)

[Instrumental]

[Verse 2]

I want to hold you, my dear boyyyyyyy
With my fathers' arms that simply
Hug you like a little jelly toyyyyyyyy

[Outro]

A twitch of muscle, not a mortal sin.
Just a few more kilograms
of energy...
per second...

[illegible]
